"I completed my Level 1 and Level 2 with Eden. I really enjoyed the courses and having late night Thursday college is really helpful. I feel I get lots of support." P.C

Certificate in Management Level 3

This course is ideal if you're a new first line manager with a range of responsibilities including: allocating work to team members/colleagues, achieving specific results, managing financial and physical resources and some degree of decision making. The qualification aims to give you an opportunity to develop your management performance, become more effective and to progress your career. You will take three mandatory units focusing on planning and allocating work for the team, managing personal development, setting objectives and supporting team members. You can then choose from a diverse range of optional units to complete the qualification, tailoring your learning to meet your individual and organisational needs. This is a work based learning course and will involve a work placement.

This course takes 6-9 months to complete

"My assessor was willing to help any way she could. Learning assistant was easy to use even for me - a computer dummy. I felt very supported and would train with Eden again 100%."

"I have enjoyed the Management course, I found it helpful having the tutor coming in and explaining my assignments. The online learning is good as well because I could look bits up if I needed to."

Certificate in the Management of Volunteers Level 3

This qualification has been developed to equip first line managers with the professional skills and knowledge they need to successfully manage their team of volunteers. It will enable you to understand how to promote volunteering within your organisation and how to set objectives and develop suitable activity plans for each team member to achieve organisational goals. You will also cover key areas such as supporting diversity and equality, managing conflict and boosting your personal leadership skills, as well as essentials such as health and safety, quality issues and relevant legislation. This is a work based learning course and will involve a work placement.

This course takes 8—11 months to complete

"I found the Team Leading course amazing, this course has helped me understand people more and so helped me be a better person. This course has improved my skills and made me a better team leader and volunteer, the staff at Eden are very nice, helpful and funny, they all made me feel very welcome."

Certificate & Diploma in Customer Service Level 2 & Level 3

Level 2 will suit you if you have some experience in customer service and are able to handle more difficult customers. If you are looking to improve your own skills and become more involved in making improvements to your team's level of customer service, this course is for you. At Level 3 you will also focus on developing your understanding of how customer service delivery and legislation affects customer expectations and how the customer service process can be developed and improved through customer feedback, promotion of products and services and effective teamwork. This is a work based learning course and will involve a work placement.

Certificate takes 4-9 months & Diploma takes 6-10 months to complete

"I'm glad to have been given this opportunity and should I have the chance again I would do another course here. I definitely prefer Eden to the other collages I've been to."

"I have found the NVQ a really good experience and all the staff are so helpful and understanding. I have loved coming to Eden and I would like to do a course here again."

Award and Certificate in Health and Social Care and Children & Young People Level 1

This qualification is good if you are considering a career in health and/or social care with adults or children and young people. You will develop knowledge and awareness of the types of provision in these sectors and the roles played by workers – from principles and values through to health and safety and working with others. There is also an option to take units in more specialised areas such as learning disability, sensory loss or mental health. They do not qualify you to work directly with adults, children or young people but provide a starting point for deciding whether a career in the sector is right for you. On completing the qualifications if you wish to pursue a career you can progress to other Level 2 qualifications such as the CACHE Level 2 Diploma in Health and Social Care or the CACHE Level 2 Certificate for the Children and Young People's Workforce. This is a classroom based course.
